Accommodation: 1 x Twin/Double, B&B

The tailor's house is quite unique and something of a living museum with artefacts from the tailor's business run by the present owner's family in times gone by. Here you'll feel that you've travelled, not only to a different country, but also to another time - though should you want more modern creature comforts there are the luxurious suites recently renovated just next door.

The restaurant is perhaps the star here, spurning modernity and keeping the same yesteryears' style as the rest of the hotel, it offers the local 'Cuina Volcanica', strictly based on local ingredients grown or reared in the volcanic soil, and is frequented by Catalonia's great and good.

Main facilities	• Activity/tour booking service • Wi-Fi all areas
Room facilities	• En-suite bathroom • Air conditioning
Dining	• Restaurant, open to the public • Breakfast only • Bars/restaurants within walking distance of the hotel
